FROM THE ELECTIONS

How the States Other Than the Old Dominion Went.

MARYLAND SEEMS ANTI-GORMAN.

of the town by a mob of Republican negroes.
At Frankfort there was much scratching of the municipal ticket.
In Lexington a heavy vote was polled early in the day for members of the Board of Education. The voting was necessarily slow, many of the lady clerks not being able to prepare their ballots with much dispatch. Colored women largely voted the Democratic ticket. The women officers of election were nearly all in line in opening the booths.
LEXINGTON, KY., November 5.—The Republican chairman, John L. Lewis, and Jefferson county will give Bradley (Republican) 10,000 majority. Powell county, usually Democratic, gives 6 Republican majority. Harrison and Fayette counties (Democratic) show slight Republican gains.

OHIO.

Indications of a Republican Plurality as Large as McKimley.
COLUMBUS, O., November 5.—Though the returns from Ohio are meagre, at this hour (8:30 o'clock P. M.), only 139 precincts being reported, it is evident that the Republicans have carried Ohio by a plurality equaling that of McKimley two years ago. That was slightly over 80,000. These precincts show a net Republican gain of one vote per precinct over that vote. At the same time, the Democrats in the State, these figures indicate that Bushnell's plurality will be about \$3,000. Though no reports are received yet as to the Legislature, it is altogether likely that the Republicans will have a larger majority on joint ballot than they have in the present one.

MASSACHUSETTS.

Greenhalge's Re-Election Indicated. Plurality, 42,000.
BOSTON, MASS., November 5.—One hundred towns so far heard from give Greenhalge 31,500; Williams, 15,500. The same towns last year gave Greenhalge, 32,100; Russell, 15,420; a net Republican loss of 650.
This would indicate Greenhalge's reelection by 42,000 plurality.

IOWA.

Democratic Committee Claims the Election of Babb.
DES MOINES, IA., November 5.—Reports from various parts of the State indicate a very large vote. The polls closed at 6 P. M., and at 7 o'clock but few returns were in. The Democratic State Committee says: "We claim that the State is very close, and believe that Babb will be elected."

MORRIS PARK RACES.

Many People See the Meeting's End—Pitiful.

MORRIS PARK, November 5.—Thirty-five hundred people were present at the race-track this afternoon, when the first meeting of the Westchester Jockey Club and the racing season in this State were closed. The weather could not have been finer for racing purposes, and the sport was enjoyed with keen interest.

There was only one stake-featured on the card—the White Plains Handicap, for 2-year-olds, which went to Hazlett, the odds-on favorite.

Quite a number of owners have expressed themselves as probable participants in the Saturday Handicap, for 2-year-olds, at Pimlico. If the present fine weather holds out the meeting should be successful.

First race—five furlongs, Eclipse (Colt), 1 to 5, won, Pacemaker second, 1 to 10, Time, 1:13.5.
Second race—handicap, for all ages, six furlongs, the White Plains Handicap, 1 to 10, won, Pacemaker second, 1 to 10, Time, 1:13.5.
Third race—White Plains Handicap, for 2-year-olds, six furlongs—Hazlett (Colt), 1 to 5, won, Pacemaker second, 1 to 10, Time, 1:13.5.

Fourth race—handicap, for all ages, one and a quarter miles—Lucania (Colt), 1 to 5, won, Refractor second, 1 to 10, Time, 2:31.
Fifth race—Withers mile—Sir Dixon, Jr., 6 to 1, won, Doggett second, Manchester third, Time, 1:43.

Sixth race—mile—Gotham (Colt), 1 to 5, won, Deerslayer second, Monaco third, Time, 1:37.4.
Seventh race—steepchase, handicap, two miles—Richard (Colt), 1 to 5, won, Duke of Albany second, Woodford third, Time, 2:53.

EIGHTH RACE—LATONIA EVENTS.

CINCINNATI, O., November 5.—The feature of an excellent day's racing at Latonia today was the Tobacco Stake, a selling event at a mile. Refractor, second, with Lehmans the favorite and Buck Massie second choice. The latter went to the front, and was never headed. Weather fine; track fast; attendance good.

First race—one mile—Strathmore (Colt), 1 to 5, won, Tom Sayre second, La Creole third, Time, 1:43.
Second race—six furlongs—Nicol (Colt), 1 to 5, won, Young second, Santa Maria third, Time, 1:13.5.

Third race—one and one-half miles—Simon W. (Colt), 1 to 5, won, Lobengula second, Eggbert third, Time, 1:47.2.
Fourth race—Tobacco Stakes, one mile—Buck Massie (Colt), 1 to 5, won, Lehmans second, Grannan third, Time, 1:40.1-2.

Fifth race—one and one-half furlongs—Lucania (Colt), 1 to 5, won, Ida Wagner second, Shuttlecock third, Time, 1:39.
Sixth race—five and one-half furlongs—Lufra (Colt), 1 to 5, won, Marquis second, Epona third, Time, 1:58.1-2.

CORBETT IN ATLANTA.

He Frees His Mind as Regards Fitzsimmons.
ATLANTA, GA., November 5.—James J. Corbett passed through here today on the Southern's limited vestibule, bound for New York. The champion talked freely of the fight, and bitterly of the result. He called Fitzsimmons a coward, and declared that he now believes that the Australian never intended to meet him in the ring.

"Never before have I been mixed up with such a rank coward as Fitzsimmons, and I have been against a great many of the rugglers of my day. How the American public can stand that fellow after the way he has acted in this fiasco is more than I can comprehend. He has humbugged me and the whole country, and he is willing to fight him for nothing when I found that there was very little prospect of getting protection from the officials. But Fitzsimmons said that he wanted to get \$50,000 to put up, and he expected to have it next day."

Buffalo, N. Y., November 5.—The indications are that Erie county will give a Republican plurality of 8,000 in the State ticket, and that the Republicans will make a clean sweep, with the exception of the First and Fifth Assembly districts, which are close.

NEW JERSEY.

Griggs, Republican, Elected Governor by 10,000 Plurality.
NEW YORK, November 5.—The Sun says that Griggs (Republican) is elected Governor of New Jersey by 10,000 majority.

NEW YORK, November 5.—The Tribune says: Present estimates indicate that Griggs (Republican) is elected Governor of New Jersey by 10,000 plurality.

NEW YORK, November 5.—A Times bulletin says Griggs (Republican) is probably elected Governor of New Jersey by 10,000.

NEW YORK, November 5.—A special to the Chronicle from Galveston, Tex., says: The champion boxer, Henry Birman shot and killed little Golden, and then placed a revolver in his breast and sent two bullets crashing through his head.

Commercial travellers invariably provide themselves with Dr. Bull's Cough Syrup.

VIRGINIA SAFE. Probability That Democrats Will Have Two Thirds in House and Senate.

GIBSON DEFEATED.

Culpeper Elects Lewis—Dan Lee Defeated—We Lose the Shenandoah Senatorial District—Light Vote Polled.

The election in Virginia yesterday was for one half the Senate—twenty members—and the entire House of 100 members.
The vote, as a rule, was very small, and less than the usual interest was manifested. The fight, where there were contests that amounted to anything, was between the Democrats on the one side and the Populists and Republicans posing together as advocates of fair elections on the other.

The campaign had been a quiet one throughout, except here and there, where the strong opposition aroused the people and the Democratic managers feared apathy in their own ranks more than they did the cry of honest elections so loudly made by the anti-Democrats. The result shows that their apprehension was not without cause; for in most sections where the party's nominees failed of election, it was due to the failure of their own vote.

One would hardly have known that there was an election in progress in Richmond, but for the policemen standing near the entrance to each of the precincts. There was practically no opposition in the city, and the Democratic majority was, in proportion, very large. Of the five members of the House elected, Messrs. Bryant, Cabell, and Harwood are incumbents, while Messrs. Murphy and Reddy are new men.

Below is given the vote of the city by wards:
Marshall Ward—Bryant, 539; Bethel, 63; Cabell, 120; Harwood, 59; Murphy, 521; Mayo, 75; Reddy, 43; Smith, 127.
Jefferson Ward—Bryant, 486; Bethel, 71; Cabell, 45; Daney, 87; Harwood, 59; Murphy, 471; Mayo, 75; Reddy, 43; Smith, 112.

Madison Ward—Bryant, 581; Bethel, 21; Cabell, 511; Daney, 21; Harwood, 514; Murphy, 43; Mayo, 26; Reddy, 33; Smith, 52.
Monroe Ward—Bryant, 701; Bethel, 43; Cabell, 683; Daney, 29; Harwood, 708; Murphy, 64; Mayo, 33; Reddy, 63; Smith, 39.

Clay Ward—Bryant, 579; Bethel, 116; Cabell, 94; Daney, 79; Harwood, 1,024; Murphy, 52; Mayo, 18; Reddy, 75; Smith, 141.
Jackson Ward—Bryant, 22; Bethel, 51; Cabell, 188; Daney, 49; Harwood, 204; Murphy, 153; Mayo, 54; Reddy, 204; Smith, 64. The second precinct of this ward is not included in the above Republican vote, as it was not materially swayed the figures one way or another.

Aggregate vote of the city: Bryant, 3,466; Bethel, 362; Cabell, 3,371; Daney, 321; Harwood, 3,481; Mayo, 5,254; Murphy, 3,077; Reddy, 321; Smith, 321.

Majority Elected in Henrico.
Returns received up to midnight show that the vote in the county was very small. Mr. A. Maupin, the Democratic nominee, was elected over Rev. Mr. Talley, the Independent candidate.

AMHERST.
Amherst: This precinct gives Harrison (Democrat), for the House, 232; Coleman (Populist), 94; J. T. Brown (Democrat), for the Senate, 302; Dillard (Republican), for the Senate, 150; Democratic by 20, or more, probably.

CHARLOTTESVILLE.
Charlottesville: A light vote was polled here to-day, and but little interest was manifested, there being practically no opposition to the Democratic nominees for the House of Delegates, W. H. Boaz and J. W. Fishburne. George Minor (Populist) received a small vote in the county.

ALEXANDRIA CITY.
Alexandria: George A. Mumma is elected to the House of Delegates, having no opposition. In Alexandria City, William H. May (Democrat), for the House, won, 150; J. W. Fishburne (Republican), 150; Lewis (Republican) receiving only 23 votes.

ALLEGANY.
Covington: William A. Rinehart (Democrat), candidate for the House district, composed of Allegany, Bath, and Highland counties, has been elected over E. M. Nettleton, the Republican candidate. He gets a majority of from 80 to 100 in Allegany county. This certainly elects Rinehart.

Clifton Forge: The precincts of Clifton Forge, Jackson River, Peter's Switch, and Iron Gate give Rinehart (Democrat), 357 and Nettleton (Republican), 257. The same precincts in 1892 gave the Democrats 350, and the Republicans 75. Allegany county will likely give a Democratic majority, which insures the election of Mr. Rinehart. The vote was exceedingly light.

AMELIA.
Amelia Courthouse: The official vote of Amelia Courthouse Precinct is: For State Senator—Dr. Joseph W. Southall (Democrat), 154; William A. Rinehart (Republican), 21; J. B. Enright (Republican), House of Delegates—General George J. Hundley (Democrat, no position), 169. A very light vote was polled.

APPOLOMA.
West Apollonia: Eight precincts out of nine in this county heard from give H. D. Flood (Democrat), for the Senate, over H. T. Hubard (Republican), 353 majority, and S. C. Stratton (Democrat), for the House of Delegates, over W. C. Franklin, 233 majority.

The precinct to be heard from is a Democratic precinct, and will increase Flood's majority to 40, and Stratton's to 120. It is the greatest Democratic victory achieved in years, in this county, and is now being celebrated by scores of enthusiastic Democrats.

DANVILLE AND PITTSBURGH.
Danville: The following is the official vote of this city: Democratic ticket, for Senate, Whites, 820; Gregory, 52; Still, 85.
Republican: For Senate—Cobbs, 349; for House—Berger, 245; Cooke, 345; Wood, 338; Tule, 338.

Withers, the Democratic candidate for the Senate has a majority over Cobbs (Republican), 120. It is believed that Withers is elected, with a possible chance of the other candidates pulling through.

A special from Stuart says Patrick has gone Republican by from 20 to 30 majority.

FAUQUER and LOUDOUN.
Warrenton: Major Dan. C. Hatcher, Democratic floater for the House from Fauquier and Loudoun, is elected, there being no opposition. An unusually small vote was polled, except at the precincts of the two candidates. Over the returns, the total vote of Fauquier, as estimated by Commonwealth's Attorney J. P. Jeffries and your correspondent at Bethel, is 1,150. Major Hatcher may run a little ahead of the ticket, in that he is only one third of a vote.

GOCHLAND.
Malden: Two precincts in Gochland give Flanagan (Republican), for the Senate, 8 majority over Patrick (Democrat), and Miller (Democrat), for the House 50 majority over Davis (Republican). A large Democratic gain.

KING WILLIAM.
Lester Manor: Below is the result of the election at the following precincts in King William county: West Point, Barnes (Democrat), for Senate, 238 majority; Diggs (Democrat), for House, 254 majority. Laneville gives Barnes 138 majority; Diggs 145 majority. King William Courthouse—Barnes, 24 majority; Diggs, 20 majority. There are two more precincts in the upper part of the county to hear from, but it is thought it can safely be said the county is solid for Barnes and Diggs.

West Point: All the precincts in King William have been heard from except one. Diggs, for the House, has 367 majority; Barnes, 367 majority. Other precinct will make but small change. Barnes's majority in King and Queen is 167.

Warsaw: Returns from King George and Stafford counties indicate that W. J. Rogers (Republican) is elected to the House by fully 300 majority over Dan. Lee (Democrat).

CAMPBELL.
Rustburg: The election gives Wilkinson (Democrat) for House, 151 majority over Simpson (Independent-Election candidate). The indications are that the Democratic ticket is elected by 200 majority.

CAROLINE.
Bowling Green: The election passed off quietly in Caroline. A small vote was polled. The indications point to the election of W. L. Blanton (Honest-Elections candidate) over Dr. Quisenberry (Democrat) by a 130 majority. Six precincts out of thirteen have been heard from. Quisenberry's majorities are: Bowling Green, 116; Quila, 31; Reedy Church, 16; Sparta, 45; Oakley, 31; Madison, 45; Blanton 119 majority. The remaining precinct will probably elect Blanton by 50 majority.

election at the following precincts in King William county: West Point, Barnes (Democrat), for Senate, 238 majority; Diggs (Democrat), for House, 254 majority. Laneville gives Barnes 138 majority; Diggs 145 majority. King William Courthouse—Barnes, 24 majority; Diggs, 20 majority. CAMPBELL.
Rustburg: The election gives Wilkinson (Democrat) for House, 151 majority over Simpson (Independent-Election candidate). The indications are that the Democratic ticket is elected by 200 majority.

CAROLINE.
Bowling Green: The election passed off quietly in Caroline. A small vote was polled. The indications point to the election of W. L. Blanton (Honest-Elections candidate) over Dr. Quisenberry (Democrat) by a 130 majority. Six precincts out of thirteen have been heard from. Quisenberry's majorities are: Bowling Green, 116; Quila, 31; Reedy Church, 16; Sparta, 45; Oakley, 31; Madison, 45; Blanton 119 majority. The remaining precinct will probably elect Blanton by 50 majority.

Rix (Populist), in 1892, defeated Quisenberry by a majority of 28.
Wickhamsville is assured, he having no opposition.

CHARLOTTE.
Smithville: Four precincts give Rice (Democrat), 420; A. L. Varney (Republican), 169. The county will go about 80 Democratic. There was a small vote here.

CULPEPER.
Culpeper: Culpeper again swings nobly with the old, live, and true Democracy. The fight was for the House of Delegates, and was a close one. The Democratic ticket refused to enter the primary, and ran as an Independent candidate. Mr. Richard Lewis was nominated in the Democratic primary, and on the 1st of October, the Democratic ticket would be elected, but all clouds rolled away. The organized Democracy went to work, and Colonel Gibson was elected, but the vote of the 1st precinct in the county gave majorities as follows:

For Gibson—Culpeper (his home), 129; Brown's Store, 8; Mitchell's, 63. Total, 200.
For Lewis—Rixeyville (his home), 139; Eldorado, 79; Brandy, 31; Stevensburg, 12; Jeffersonville, 57. Total, 314. Lewis's majority, 75.

The two places to hear from—Lignum and Rixeyville—will both give the Democratic majorities, aggregating no less than 100. This will give Mr. Lewis about 175 to 200 majority. Colonel Gibson carried this county two years ago, as the regular nominee by 200 majority.

CUMBERLAND.
Pemberton: The following is the vote of three precincts in the lower end of Cumberland:
For the House—Hubbard (Democrat), 171; for the Senate, 328. For the Senate—Southall (Democrat), 152; Lancaster (opposition), 232.

This is an opposition gain over the vote of 1893 of 57.

CRAIG.
Craig City: Craig county Courthouse Precinct gives Craig county, for Senate, 84 majority, and McCartney and Berkley (Democrats), for the House, 100 and 7 majority, respectively.

The county Democratic by 38.
LYNCHBURG AND CAMPBELL.
Lynchburg: Returns received from Campbell county indicate the election of Adam Clement (Democrat) to the State Senate by about 80 majority, and Wilkinson (Democrat), for the House of Delegates by a small majority.

NEILSON.
Lovingstone: Brown (Democrat), for the Senate, is elected by a large majority. The indications are that Harris (Democrat) is elected to the House, 100 majority.

NORFOLK AND PORTSMOUTH.
Norfolk: The battle of ballots fought in this city to-day to decide who should be Norfolk's next mayor, was a very light one. The vote was polled throughout the county. Many ballots were improperly scratched and thrown out. The Democratic majority is 15.

Unofficial reports from other precincts indicate a very close vote, with the chances favoring Connelly F. Trigg and I. H. Ingram, the Democratic nominees.

SUMMARY.
From the returns received by us up to the time of putting this edition of the Dispatch to press it appears that the following cities and counties have been carried by the Democrats:

Henrico.
Prince William.
Charlotte.
Norfolk.
Portsmouth.
Danville.
Baltimore.
Fauquier.
Amelia.
Alexandria city.
Allegany.
King William.
Albemarle.
Hanover.
Bedford.
Pulaski.
Campbell.
Page.
Rappahannock.
Northampton.
Accomac.
Richmond county.
Mathews.
Gloucester.

The following are claimed by the opposition:
Wythe—Carried by the Independents; neither the Democrats nor Republicans had a candidate in the field.
King George and Stafford—(Dan. Lee defeated).

Mecklenburg.
Westmoreland and Northumberland.
Patrick.
Shenandoah.
Tazewell.
Carroll.

From the returns so far received the Democrats elect ten senators and fifty-five members of the House. Later returns are expected to increase the Democratic majority. Of the "hold over" senators, nineteen are Democrats.

Touching Navy Construction.
WASHINGTON, D. C., November 5.—Secretary Herbert has rejected the recommendation of the Bureau of Construction that additional prizes be given to the builders of vessels and the failure to deliver plans for the same within the time specified in the contract.

Chief-Naval-Constructor Hichborn disagreed with the other officers on the proposition, and argued that the penalties—one for failure to complete a vessel in given time, another for the weight of engines, and a third for failure to give required speed. These were much, he claimed, as they could bear. If additional penalties were added, it would prevent many persons from bidding for naval work. The Secretary agreed with Constructor Hichborn, and refused to approve the additional penalties recommended.

Tribune to Eugene Field.
KANSAS CITY, MO., November 5.—The Missouri University alumni of this city, met in the Midland Hotel last night to celebrate the death of Eugene Field. A motion was made and carried that in view of Mr. Field's fondness for children, the entire contribution for the intended banquet to have been given to the Children's Home.

Promised Clyde Lock-Out.
GLASGOW, November 5.—The Clyde shipbuilders began their promised lock-out to-day, and the men are expected to be out of their workmen. The Clyde builders are acting in harmony with the Belfast shipbuilders, whose employees are on strike.

Terrible Coal-Mine Accident.
SHAW, W. VA., November 5.—John Colley and John Melvin were instantly killed by a falling rock in the mine at Shaw. Injured this morning by a car at the Manor coal-works jumping off the incline and plunging into the Potomac river.

In Pulaski, not more than one third or one half usual vote. Several of the twelve precincts in the county heard from, give Williams, Democratic nominee for the House, about 150 plurality over Cecil Williams, Democratic, and about 120 plurality over Siebold, the Republican nominee.

The five unheard-from precincts are Max Creek, Snowville, Riverview, Walker, and Cedar. As the vote is mostly small precincts and cannot reduce Williams's plurality to less than 100 over Cecil and fifty over Siebold in Pulaski county. Several precincts in Giles heard from give Williams about 50 plurality over Cecil and about 150 over Siebold. Williams is believed to be elected by at least 100 or 200 plurality.

WARSAW: Official returns from Richmond county give Mason (Democrat) over Rose (Republican) for the Senate, 127 majority. Returns from Lancaster county give Mason 127 majority over Rose 127. King George, with one precinct to hear from, gives Mason 82 majority. Northumberland, as far as heard from, gives Mason 127 majority. Two precincts to hear from. Returns from Westmoreland give Mason 34 majority, with three precincts to hear from. These will give a small Republican majority. Mason's estimated majority in the district is about 25.

SHEENANDOA.
Newmarket: The indications are that Breman (Democrat) is defeated by Solled (Republican) 200 majority. The defeat is attributable to the senatorial trouble in this district, which caused many Democrats to stay at home, while the Republicans were encouraged to turn out, with the hope of electing a senator. The indications are that McCure (Republican) has defeated both Walton and Purcell (Democrats), for the Senate.

TAZEWELL.
Graham: No interest was taken in the election to-day. There was a small vote. Both candidates were Republicans. From present indications, Smith (Independent candidate) is elected by a small majority.

WYTHE.
Wytheville: Dr. Samuel R. Sayers, Independent candidate for the House from Wythe county, is elected. Neither the Democratic nor the Republican ticket was in the field. The vote cast in this county was consequently not large.

Williamsburg: This was the quietest election for years. The smallest vote was polled in the county. The vote was not over a dozen negroes voted. The result is as follows: Total vote, 128; for Senate—Parnes (Democrat), 102; Collet (Populist), 26; for House—Parnes (Democrat), 92; Hunter (Independent Democrat), 22; Robinson (Independent), 5.

WISE.
Big Stone Gap: Returns from seventeen precincts in Wise, Scott, and Lee give Kane (Democrat), for the Senate, 150 majority over Slomp, and he is probably elected by a small majority.

Both vote is Democrat between Sutherland (Democrat) and Vanover (Republican) for the House of Delegates from Wise, Dickenson, and Buchanan, and it will require the official count to decide the result.

WESTMORELAND AND NORTHUMBERLAND.
Warsaw: Returns from Westmoreland and Northumberland counties indicate that M. A. Coles (Republican) is elected to the House over Benjamin Chambers (Democrat) by a small majority.

WASHINGTON.
Arlington: But little interest was taken in the election here, and a very light vote was polled throughout the county. Many ballots were improperly scratched and thrown out. The Democratic majority is 15.

Unofficial reports from other precincts indicate a very close vote, with the chances favoring Connelly F. Trigg and I. H. Ingram, the Democratic nominees.

THE FIGHT A VERY PRETTY ONE.
